A striking Victorian building situated on a man-made island over 900 years old, Kelham Island Museum is an iconic venue at the heart of the steel city.

Offering magnificent backdrops against the facade of the passing River Don and with unique buildings and features reminiscent of the island's industrial history, it beautifully combines steel city heritage with urban chic to make a truly inspiring setting for your special day.

Greet your guests as newlyweds along the enchanting Little Mesters Street and then surprise them with the show-stopping 12,000 horse power River Don Engine in steam.

# Millennium Gallery

---

- Licensed for ceremonies
- Cadman Room and Arundel Room combined seating for up to 180 guests
  - Flexible layout
  - Audio visual/PA
- Lighting and staging
  - Full bar licence
- Food and drink can be arranged from our list of hand-picked preferred suppliers
- Close proximity to the Winter Garden and the Peace Gardens

Millennium Gallery is a landmark space that typifies this vibrant, contemporary city. It is home to the very best in art and design; a celebration of Sheffield's rich history of innovation and craftsmanship, its Metalwork Collection is one of the finest in the world.

The white walls of the Arundel Room provide a blank canvas for the happy couple to create the wedding of their dreams.

Millennium Gallery is adjacent to the Winter Garden and the Peace Gardens, which provide an oasis of green in an inner-city landscape and a beautiful backdrop for wedding photographs. Alternatively, the terrace offers a panoramic view of the urban cityscape.

# Weston Park

---

- Licensed for ceremonies
- Seating for up to 60 guests
  - Flexible layout
  - Audio visual/PA
- Food and drink can be arranged from our hand-picked list of preferred suppliers
- Close proximity to Weston Park and bandstand

An iconic space that charts the story of Sheffield from prehistory to the present, Weston Park Museum, with its neoclassical pavilion, and stunning architecture, provides a beautiful backdrop for your big day.

A romantic and eclectic collection of art and artefacts, including favourites such as Spike the woolly rhino and Joe Scarborough's iconic city panorama of Sheffield Through the Ages, make this award-winning, family-friendly museum a unique space for weddings and civil ceremonies.

Our art gallery, Picturing Sheffield, provides an elegant backdrop for couples to pledge their future together, in front of visitor favourites such as John Singer Sargent's much-loved *The Misses Vickers*.

# Catering

Sheffield Museums Trust works with two recommended suppliers for all catering requirements

## Harris Catering

Harris Catering is an established outside catering company based in Derbyshire. Our catering area includes Yorkshire and Nottinghamshire although we have travelled much further

We offer a bespoke service to both private and corporate clients tailoring our food to meet your requirements.

## PJ Taste

At PJ taste we enjoy working with wedding couples to create unique and exciting menus. Using local farmers and our own grown produce can provide a wide range of styles including sharing platters, dinners, BBQ's, spit roasts, buffets, woodfired pizza and many more to make sure the food at your wedding is something you and your guests will remember.
